RCTC 15/91 EXPRESS LANES CONNECTOR

WEEKEND CLOSURE

ALL LANES, WESTBOUND 91
Friday, January 28 – Monday, January 31

All lanes will be closed on westbound 91 from McKinley St. to Main St. in Corona, the weekend of January 28-31, 2022. The westbound 91 Express Lanes in Riverside County and the westbound 91 on-ramp at McKinley St. will also be closed.

Crews will be placing support structures over the westbound 91 for the new southbound 15 to westbound 91 Express Lanes Connector, which will provide a seamless link between the 91 Express Lanes and the 15 Express Lanes.

WHEN:

- **Friday, January 28 at 9 p.m. to Monday, January 31 at 5 a.m. Dates are subject to change, due to weather and other factors. If needed, the closure will be rescheduled as soon as possible.**

WHAT TO EXPECT:

- Full closure of all westbound 91 lanes from McKinley St. to Main St. and westbound 91 Express Lanes in Riverside County
- Full closure of westbound 91 McKinley St. on-ramp
- Eastbound 91 lanes and eastbound 91 Express Lanes will remain open
- Southbound and northbound 15 and 15 Express Lanes will remain open

DETOUR ROUTES:

- Avoid the area by using alternate routes, including Route 60. If you must travel on westbound 91, expect significant delays, allow extra travel time, and follow local detours:
  - Head north on I-15, exit Hidden Valley Pkwy, head south on I-15 to westbound 91
  - Head south on I-15, exit Magnolia Ave, head north on I-15 to westbound 91

Note: The support structures are being built in stages. Please watch for three additional weekend closures in 2022/2023.

WHY:

The weekend closures will improve safety by separating construction work from passenger vehicles, shorten the overall construction schedule, reduce the number of closures needed, and save construction costs.
