Consultant further represents and warrants to the Commission that its employees and subcontractors have all licenses, permits, qualifications and approvals of whatever nature that are legally required to perform the Services, and that such licenses and approvals shall be maintained throughout the term of this Agreement.

Consultant shall perform, at its own cost and expense and without reimbursement from the Commission, any services necessary to correct errors or omissions which are caused by the Consultant's failure to comply with the standard of care provided for herein, and shall be fully responsible to the Commission for all damages and other liabilities provided for in the indemnification provisions of this Agreement arising from the Consultant's errors and omissions. Any employee of Consultant or its sub-consultants who is determined by the Commission to be uncooperative, incompetent, a threat to the adequate or timely completion of the Project, a threat to the safety of persons or property, or any employee who fails or refuses to perform the Services in a manner acceptable to the Commission, shall be promptly removed from the Project by the Consultant and shall not be re-employed to perform any of the Services or to work on the Project.

Commission may, by written notice to Consultant, terminate this Agreement, in whole or in part, at any time by giving written notice to Consultant of such termination, and specifying the effective date thereof ("Notice of Termination"). Consultant may not terminate this Agreement except for cause.

3.14.2 Discontinuance of Services. Such payment shall include a prorated amount of profit, if applicable, but no amount shall be paid for anticipated profit on unperformed Services. Consultant shall provide documentation deemed adequate by Commission's Representative to show the Services actually completed by Consultant prior to the effective date of termination. This Agreement shall terminate on the effective date of the Notice of Termination.

3.14.4 Effect of Termination for Cause. If the termination is for cause, Consultant shall be compensated for those Services which have been fully and adequately completed and accepted by the Commission as of the date the Commission provides the Notice of Termination. In such case, the Commission may take over the work and prosecute the same to completion by contract or otherwise. Further, Consultant shall be liable to the Commission for any reasonable additional costs incurred by the Commission to revise work for which the Commission has compensated Consultant under this Agreement, but which the Commission has determined in its sole discretion needs to be revised, in part or whole, to complete the Project because it did not meet the standard of care established in Section 3.9. Termination of this Agreement for cause may be considered by the Commission in determining whether to enter into future agreements with Consultant.

3.14.5 Cumulative Remedies. The rights and remedies of the Parties provided in this Section are in addition to any other rights and remedies provided by law or under this Agreement.

3.14.6 Procurement of Similar Services. In the event this Agreement is terminated, in whole or in part, as provided by this Section, the Commission may procure, upon such terms and in such manner as it deems appropriate, services similar to those terminated.

3.15 Schedule and Progress of Services.

3.15.1 Schedule of Services. Consultant shall perform the Services expeditiously, within the term of this Agreement, and in accordance with the Schedule of Services set forth in Exhibit "B" attached hereto and incorporated herein by reference. Consultant represents that it has the professional and technical personnel to perform the Services in conformance with such conditions. 3.15.2 Modification of the Schedule. Consultant shall regularly report to the Commission, through correspondence or progress reports, its progress in providing required Services within the scheduled time periods. Commission shall be promptly informed of all anticipated delays. In the event that Consultant determines that a schedule modification is necessary, Consultant shall promptly submit a revised Schedule of Services for approval by Commission's Representative.

3.15.3 Trend Meetings. Consultant shall conduct trend meetings with the Commission's Representative and other interested parties, as requested by the Commission, on a bi-weekly basis or as may be mutually scheduled by the Parties at a standard day and time. 3.16 Delay in Performance.

3.16.1 Excusable Delays. Should Consultant be delayed or prevented from the timely performance of any act or Services required by the terms of the Agreement by reason of acts of God or of the public enemy, acts or omissions of the Commission or other governmental agencies in either their sovereign or contractual capacities, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes or unusually severe weather, performance of such act shall be excused for the period of such delay.

3.16.2 Written Notice. Failure of Consultant to provide such timely notice shall constitute a waiver by Consultant of any right to an excusable delay in time of performance.

3.16.3 Mutual Agreement. Performance of any Services under this Agreement may be delayed upon mutual agreement of the Parties. Upon such agreement, Consultant's Schedule of Services shall be extended as necessary by the Commission. Consultant shall take all reasonable steps to minimize delay in completion, and additional costs, resulting from any such extension.

3.17 Status of Consultant/Subconsultants.

3.17.1 Independent Contractor. The Services shall be performed by Consultant or under its supervision. Consultant will determine the means, methods and details of performing the Services subject to the requirements of this Agreement. Commission retains Consultant on an independent contractor basis and not as an employee, agent or representative of the Commission. Consultant retains the right to perform similar or different services for others during the term of this Agreement. (“Prevailing Wage Laws”), which require the payment of prevailing wage rates and the performance of other requirements on certain “public works” and “maintenance” projects. If the Services are being performed as part of an applicable “public works” or “maintenance” project, as defined by the Prevailing Wage Laws, and if the total compensation is \$1,000 or more, Consultant agrees to fully comply with such Prevailing Wage Laws. Copies of the prevailing rate of per diem wages are on file at the Commission’s offices. 3.17.3 Assignment or Transfer. Consultant shall not assign, hypothecate, or transfer, either directly or by operation of law, this Agreement or any interest herein, without the prior written consent of the Commission. Any attempt to do so shall be null and void, and any assignees, hypothecates or transferees shall acquire no right or interest by reason of such attempted assignment, hypothecation or transfer.

3.17.4 Subcontracting. Consultant shall not subcontract any portion of the work or Services required by this Agreement, except as expressly stated herein, without prior written approval of the Commission. If Consultant wishes to use a firm as a subcontractor which is not specified in the proposal upon which this Agreement was awarded, prior written approval must be obtained from the Commission. The Subcontracts, if any, shall contain a provision making them subject to all provisions stipulated in this Agreement.

Consultant has, as part of its proposal, identified certain companies/firms that will be subconsultants utilized by Consultant (“Subconsultants”) for Project delivery. A list of said Subconsultants is attached hereto as Exhibit “C” Part 2 and made a part hereof. The Commission hereby approves the use by Consultant of the Subconsultants identified in Exhibit “C” Part 2. In the event and prior to the replacement of any Subconsultant approved herein, the Consultant shall seek and obtain the Commission's written approval. Exhibit “C” Part 2 also sets forth the rates at which each Subconsultant shall bill the Consultant for Services and that are subject to reimbursement by the Commission to Consultant. The cost of Addition Direct Costs, as defined in exhibit “C,” shall be the same for both the Consultant and all subconsultants, unless otherwise identified in Exhibit “C” Part 2.

Consultant acknowledges that approval of Consultant's utilization of the identified Subconsultants together with the incorporation of Subconsultants' rate schedules and cost proposals into this Agreement shall in no way be construed to create any contractual relationship between any Subconsultant and the Commission. The Subconsultant rate schedules and cost proposals contained herein are for accounting purposes only. In the event that any Subconsultant shall bring any action, claim or proceeding purporting to enforce any right purportedly arising under this Agreement, the Consultant shall be responsible for the Commission's reasonable legal fees without regard to the merits of any such claim.

3.18 Ownership of Materials/Confidentiality.

3.18.1 Documents & Data. This Agreement creates an exclusive and perpetual license for Commission to copy, use, modify, reuse, or sub-license any and all copyrights and designs embodied in plans, specifications, studies, drawings, estimates, materials, data and other documents or works of authorship fixed in any tangible medium of expression, including but not limited to, physical drawings or data magnetically or otherwise recorded on computer diskettes, which are prepared or caused to be prepared by Consultant under this Agreement ("Documents & Data").
