

PLAN AHEAD FOR EASTBOUND/WESTBOUND 91 to NORTHBOUND 71 CONNECTOR CLOSURES

Friday, September 6, 2024

The Riverside County Transportation Commission's 71/91 Interchange Project will require a nighttime full closure of the eastbound and westbound 91 to northbound 71 connectors. The closure is scheduled for Friday, September 6, 2024. The closure will allow crews to safely remove overhead signage above the northbound 71 roadway. Additional nighttime lane reductions, ramp closures, and connector closures will occur Monday – Friday nights. The southbound 71 to eastbound and westbound 91 connectors will remain open.

Full closure of the westbound 91 to northbound 71 connector

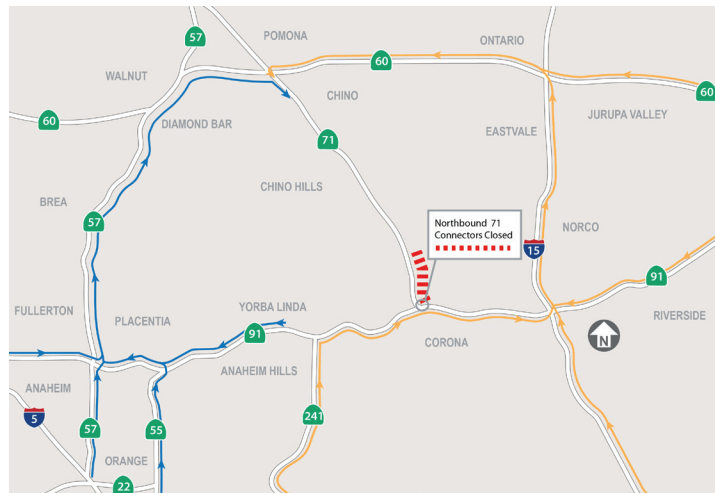

- **Friday, September 6** from 9 p.m. to 6 a.m.

Full closure of the eastbound 91 to northbound 71 connector

- **Friday, September 6** from midnight to 7 a.m.

Detour Routes

Motorists traveling to destinations along the 71 such as Chino, Chino Hills, and Pomona are encouraged to use alternate routes and avoid 71/91 interchange. Regional detours include the northbound I-15 and northbound SR-57 to the SR-60 as alternate routes. Please see below:

Fire, police, and ambulance services will have access for emergency response. During these closures, heavy traffic delays are expected for motorists traveling on the 91.
